

Fosroc® Proofex® PGP Flange 180mm

constructive solutions

PVC connector flanges

Uses

Provides a connector flange for resin injection of compartmental systems for installations of Proofex PGP membrane.

- Below ground waterproofing
- Tunnels

Advantages

- Compatible with Proofex PGP membrane
- Fast application

Description

180mm diameter PVC disc flange which facilitates a conical hose connection for future injection with resin for PVC membrane compartment systems.

Application Instructions

Partially weld the Proofex PGP Flange to the main Proofex PGP membrane at the locations determined by the Engineer. Connect a solid walled hose to the shank and terminate in termination box in preparation for future resin injection.

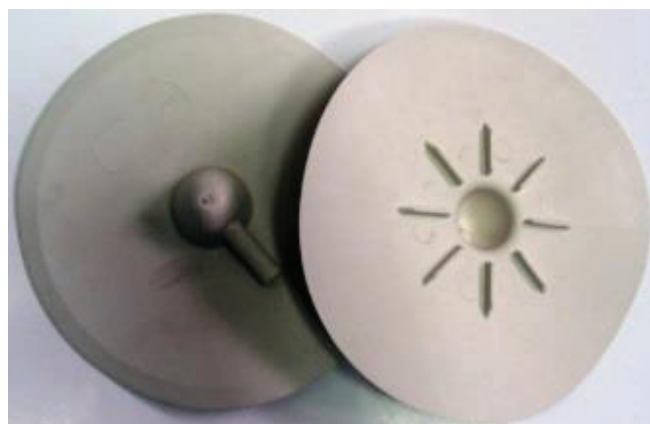

Supply

Proofex PGP Flanges are supplied in bozes of 10 units.

Proofex PGP Flange 180mm: FC007102-UNIT

Storage

Proofex PGP Flanges have a shelf life of 12 months if stored in a cool, dry store, away from sources of heat, in the original unopened packing.

Important notice

A Safety Data Sheet (SDS) is available from the Fosroc website. Read the SDS and TDS carefully prior to use as application or performance data may change from time to time. In emergency, contact any Poisons Information Centre (phone 13 11 26 within Australia) or a doctor for advice.

Product disclaimer

This Technical Data Sheet (TDS) summarises our best knowledge of the product, including how to use and apply the product based on the information available at the time. You should read this TDS carefully and consider the information in the context of how the product will be used, including in conjunction with any other product and the type of surfaces to, and the manner in which, the product will be applied. Our responsibility for products sold is subject to our standard terms and conditions of sale. Parchem does not accept any liability either directly or indirectly for any losses suffered in connection with the use or application of the product whether or not in accordance with any advice, specification, recommendation or information given by it.
